

REMARKS

Responsive to the communication of 23 February, 2006, applicant herewith submits the corrected portion of the amendment dated 7 February, 2006.

Specifically, the corrected portion complies with the Examiner's requirement that added paragraphs are not underlined. In addition, the Examiner's requirement for notation of the phrase "replace the existing paragraphs with the following paragraphs:" has been inserted where applicable in the corrected portions of the amendment. Still further, the corrected portion now refers to "Detailed Description" as set forth on continuation sheet (PTOL-324).

It is therefore urged that the Specification as now amended complies with the Examiner's requirements. If any issues remain to be resolved, it is requested that the Examiner contact attorney for applicant at the telephone number listed below.

Respectfully submitted,
